The Brighter Goldendale Christmas Committee, an outreach of the chamber of commerce, recently applied to the city of Goldendale to be recommended as the city's choice to Klickitat County for economic development funds. If successful in 2006, Candy Cane Lane will grow substantially.

The funding would provide 72 new light post candy canes, extending Candy Cane Lane to all corners of the city.

Michael Byers, owner of M & R

Storage, was the first to purchase one of the new candy canes to complete the full loop.

Nameplates will be attached to candy canes purchased by individuals or businesses. Purchasing a candy cane in memory of a loved one is also an option.

For more information, call Patricia Shamek at 773-4374 in the evenings, or Patti Allyn at 773-3108. ■

Scenes from the 2005 Candy Cane Lane Christmas Parade in Goldendale included Santa with Alex and Cameron, floats and brightly decorated tractors and fire trucks.
