

## KPUD Welcomes Customer Service Rep

If you have called or stopped by Klickitat PUD's (KPUD) Goldendale office recently, you may have spoken with our newest customer service representative, Chelsea White.

Chelsea was born and raised in Goldendale, where she continues to live with her husband, Josh.

Her first official day on the job was January 2. However, Chelsea started with KPUD as a part-time employee in October 2007 through Barrett's Business Services Inc.

During her part-time status at KPUD, Chelsea continued working

at Holcomb's Sentry Market, where she worked for the past year and a half.

Josh works for Railworks Inc. of Spokane, building and servicing railroad track.

Chelsea owns three dogs that take up most of her free time. She enjoys boating in the summer, snowboarding in the winter, and showing and training horses.

Chelsea and Josh hope to buy land and have their own home within five years.

Please join us in welcoming Chelsea to our KPUD family. ■
