

The Klickitat PUD float travels the parade route in Goldendale during the Klickitat County Fair.

KPUD Saddles Up for the Fair

By Lori K. Froehlich

Klickitat PUD was well represented this year at the Klickitat County Fair, with many employees volunteering their time and energy to make this fair and parade a memorable one.

A big thank you goes to Kathy Loveland, her husband Joe, Melissa Huwe, Eva France and Chris Evans for working so diligently and creating such an original float. It won first prize in the parade.

Joe designed the float with unique horses in every shape and size that corresponded with the theme at the fair this year, "Hoof it on over to the Klickitat County Fair."

Bill Rogers drove a PUD pickup that pulled the float, while Kathy tossed candy to parade spectators.

Also, thank you to all of the KPUD employees who volunteered their time, especially on the weekend to set up or take down the booth, work various shifts and made sure the bucket truck was on display at the fairgrounds daily. A lot of KPUD customers stopped by the booth this year and picked up a free compact fluorescent light bulb, balloons, information about rebates, wind projects and the landfill gas expansion project.

KPUD appreciates its employees for their effort and the customers who supported KPUD at the fair.

Hope to see everyone again next year. ■
