## Volunteers Make County Fair a Success

Klickitat PUD was well represented again this year at the Klickitat County Fair, with many employees volunteering their time and energy to make the fair and parade a memorable one.

A big thank you goes to Kathy Loveland and her husband, Joe, Sharon Ohnstad and Ana Christen for their creativity and patience in designing the float and booth. They were both decorated with the fair theme, "Denim and Dust."

A thank you also is in order for Julius Robison and Bill Rogers for their help with preparation and delivery of materials, as well as driving the float.

Lots of KPUD customers stopped by the booth. They received giveaways;

picked up helpful information on rebates and conservation, the landfill gas expansion project and past projects; and asked questions about the PUD system and operations.

Thank you to all KPUD employees who volunteered their time, especially on the weekend at the parade, setting up and taking down the booth, working various shifts and making sure the bucket truck was at the fairgrounds displaying the American flag.

KPUD appreciates all of its employees and thanks those who volunteered and the customers who showed their support at the fair.

Hope to see everyone again next year! ■
