

Irrigation Meetings Scheduled

Klickitat PUD's annual irrigation customer update will be presented at 9 a.m. at two meetings:

- ▶ Thursday, February 9, during the Eastern Klickitat Conservation District's annual meeting at the Alder Creek Grange Hall, 304 E. Market St., Bickleton.
- ▶ Thursday, February 16, during the Central Klickitat Conservation District's annual meeting at the Goldendale Grange Hall, 228 E. Darland St., Goldendale.

The conservation office has applied for pesticide credits for their all-day annual meetings.

If you have any questions, call Kathy at Klickitat PUD, (509) 773-7606, or Kerry at the conservation district office, (509) 773-5823 ext. 5.

Our Meter Readers Need Your Help

To make sure Klickitat PUD obtains accurate readings of your electric and water meters for billing purposes, we need your help in keeping the area around meters free of debris.

Here are some simple tips to help maintain free access to your meters.

- Keep the area near the meter and the pathway to the meter clear by trimming bushes or mowing tall grass.
- If it snows, shovel a pathway to the meter and around the meter area.
- Keep pets away from the meter area and pathway.
- Do not park vehicles or store materials on top of your water meter.
- Provide us with a key if you have a locked gate.
- Make sure your address is visible for easy location of your home.

Remember, if you can't get to your meters, neither can we. ■
