

## Stay Connected With Klickitat PUD

Visit our website at [www.klickitapud.com](http://www.klickitapud.com) and our new Facebook page to stay current with KPUD.

Have you ever wanted power outage information at your fingertips? To pay your bill online? Or information about your rates or what kind of rebates are available?

Our website layout provides user-friendly, easy

navigation and access to the information you really need or want.

Be sure to like our Facebook page to stay connected to current events and provide feedback.

Complete KPUD's customer survey online to be entered in a drawing for \$100 off your KPUD bill. See details on our Facebook page. ■

Pay your bill or turn in a meter read here.

This red text only appears when there are current outages or planned outages.

Check out your local Ruralite pages from years past or the current issue.

New electric or water/wastewater service information can be found under the Services tab.

Any current job openings are listed under this tab.

Be sure to check out the Conservation section for the latest rebate information, tips for saving energy, net metering and more.

Click the Rates & Policies tab to get to the current rates and PUD policies.

You can access a mobile version of the website with your smartphone. Look for outage information, news and contact information. If you have any comments or questions regarding our website or Facebook page, please contact our offices in Goldendale or White Salmon. We designed these pages with the information customers want most, and we appreciate your feedback.
