Ductless Heat Pump Qualified Products List:

8.0 HSPF minimum for multi-head systems; 9.0 HSPF minimum for single head

This Qualified Products List applies to both Residential and Commercial

Please note: If you find an inverter driven ductless heat pump that is not on this list send its AHRI certification number to us. Once verified and included on the next product list. Other issues with this list should also be sent to us.

***Multiple Interior head installations** require manufacture documentation of matching indoor and outdoor units.
