RE: 2024 Dallesport Sewer Rate and Connection Charges

Klickitat County Public Works, in accordance with Sections 3.3 and 5.4 of Klickitat County Resolution 21702 adopted October 14, 2002 and amendment 07005 dated April 5, 2005, is hereby notifying you of a monthly rate and connection fee increase.

On May 21, 2024 at 10:15 AM, Klickitat County held a public meeting in the BOCC Chambers to receive public comment.

The Dallesport Wastewater system is over 20 years old and will need some large capital upgrades in the next ten years. Therefore, a \$3.06 monthly increase per ERU has been proposed and approved by the Board of County Commissioners. The increased monthly rate and connection fees was adopted on May 28, 2024, per Amendment No. 4, to Klickitat County Resolution # 21702.

The Dallesport Wastewater System revenue and expenses will be revaluated annually. A determination will be made if the rates need to be increased and if so by how much. Public Works will propose the rate to the Board of County Commissioners and a hearing will be held before a decision is made on next year's rates.

The following rates and charges are in effect beginning June 1, 2024.

Monthly Sewer Rate	\$64.22
Connection Charge	\$4,602.68
Application Fee	\$25.00

If you have any questions, please contact our office at (509) 773-4616. Please do not contact Klickitat County PUD for questions related to the rate increases.

Sincerely,
