

Drinking Water Week | May 6-12, 2018

Protect the **SOURCE**

**We depend on our drinking
water supply daily –
But where does that
water come from?**

Your water provider encourages you to get to know your local water source, so together, we can protect and preserve it.

Protecting our water source now ensures we have a sustainable drinking water supply for the future.

Visit DrinkTap.org or contact your local water provider.

Celebrate Drinking Water Week at the Klickitat PUD Open House on Thursday, May 10, 2018 from 8 a.m. to 5 p.m.
