Supporting Documentation To Include with On-line Application

☐ Approved Net Metering Interconnection Agreement ☐ Washington State L&I approved permit
☐ One line drawing of system configuration ☐ $125 Application fee
☐ Final detailed sales invoice of system (name, location, equipment purchased, price including taxes)

Additional information needed:

- Names of all parties to be listed as certified participants (payee(s) of annual rebate)
- Klickitat PUD utility account number
- Site information (physical address, parcel#...)
- Installed equipment information
- Current production meter read (**NOT** KPUD supplied meter read)

Application Process

- visit https://wsuenergyincentives.powerclerk.com/MvcAccount/Login
- Log In Box: Click: Register New Account
- Create Username (must be active email address)
- Complete and register
- Wait for email notification to complete application process
  * (Please note this email is time sensitive and expires in 7 days)
- Sign back into Powerclerk with active account information and complete New Application process and all additional tabs and supply required documentation.
- Supply KPUD with notification of acceptance

Incentives are based on the fiscal year in which the system is certified

Systems (up to 12kW) - Incentives capped at $5,000 annually

2018 - $0.16/kWh, with a $0.05 Made-in-Washington solar panel bonus
2019 - $0.14/kWh, with a $0.04 Made-in-Washington solar panel bonus
2020 - $0.12/kWh, with a $0.03 Made-in-Washington solar panel bonus
2021 - $0.10/kWh, with a $0.02 Made-in-Washington solar panel bonus

Systems (12kW and up) - Incentives capped at $25,000 annually

2018 - $0.06/kWh, with a $0.05 Made-in-Washington solar panel bonus
2019 - $0.04/kWh, with a $0.04 Made-in-Washington solar panel bonus
2020 - $0.02/kWh, with a $0.03 Made-in-Washington solar panel bonus
2021 - $0.02/kWh, with a $0.02 Made-in-Washington solar panel bonus
* Note: Washington State's fiscal year runs from July 1 - June 30

FAQ's

- What are the program terms? The incentive payments run for 8 fiscal years or 96 months, or until cumulative incentive payments reach 50% of the total system price-whichever comes first. Annual limits will apply.
- When does enrolment end for new participants? June 30, 2021 or until State mandated caps are met
- How do I apply for the annual payment? KPUD will send you an annual application that must be submitted by August 1
- What governs this program? Washington State legislation ESSB 5939 and is subject to changes. Complete information can be found at: http://lawfilesext.leg.wa.gov

Disclaimer

This is a Washington State program managed by Washington State University's Energy office and is not a KPUD developed program. KPUD voluntarily participates as a pass-through for assistance, collection of data and annual payments. Please contact KPUD at (509) 773-7622 with any questions related to their participation capacity.
