

Residential Clothes Washer/Clothes Dryer “Energy Star” Only

Clothes washers and dryers must be ENERGY STAR® labeled to qualify.
Water heating source must be electric. Gas will not qualify for a rebate.

ENERGY STAR clothes washer \$30.00 rebate

ENERGY STAR clothes dryer \$50.00 rebate

Customer will need to complete a Rebate Application and attach a copy of the original sales receipt with proof of make and model of each unit. Once received and approved request for payment will be processed.

All materials and installations must comply with current KPUD/BPA conservation specifications in order to be eligible for funding and homes must be within the Klickitat PUD service territory. Qualifying specifications and funding are subject to change.

Privacy Notice:

Your interest in our conservation program is appreciated. We hope that you will decide to participate in these energy savings activities. If you do, it is necessary for you to provide some information to us, which will enable us to run this program successfully.

The information to be collected includes the names and addresses of customers participating in the program technical data about energy use and efficiency. We need this information to determine whether you are eligible for the program. Beyond this, the information collected will be used to evaluate and audit the conservation program.

Upon BPA’s request, we will provide them with this information. BPA may also wish to make certain site visits to evaluate the installations and the performance of the program.

The data provided will then be used to assist us in developing new programs and in assessing energy savings obtained by existing programs in the region. This information will be retained for three years. It may be released to the public, but only in anonymous statistical form.
