Thanks for Stopping By!

Each spring and summer, we try to visit with community councils, city councils, public service organizations and agribusiness groups. This gives us an opportunity to talk about the PUD and the services we provide, as well as provides the chance to hear questions and get input from our customers.

So far this year, we have visited 15 different public groups. We have attended the Klickitat County Fair, the Home and Garden Show, and will be at the Bingen Huckleberry Festival from September 6-8.

Thank you to those of you who came to meet with us, and especially those who spend countless hours supporting their communities by organizing these events and running these organizations. This is what makes Klickitat County such a great place to live and work. I appreciate those of you who are willing to share their skills, time and efforts for their communities.

Thank you,
Jim Smith
General Manager
